**Subject:** RE: question

Also – did anyone fill Pai's position temporary between his termination on 10/31/14 and when we hired Chu on 4/20/15 – or were we just out that position during that time since they changed the skill set?

**Subject:** question

Who replaced Peter Chu when he resigned 11/13/15 and did the replacement also require the .Net skill set? EEOC is requesting more info.
